

# EACE PROFESSIONAL EXCHANGE

The EACE Professional Exchange Committee sponsors opportunities for companies to highlight/market their organizations to the college members of EACE. During the visit day, employers typically describe their organizations, discuss their recruiting processes, offer tours, and allow exchanges of information between new hires, interns and college professionals. This is a great way for you to strengthen or build relationships with various companies.

- ▶ Recent visits have been scheduled to **Facebook, Fidelity Investments, and Google**
- ▶ Most visits to employers in the same city have been scheduled concurrently, to make it easier for those members traveling from a distance
- ▶ Registration is first-come, first-served

▶▶ **R.S.V.P. @ [www.eace.org](http://www.eace.org)**
